This course gives the students an overview of the basic fundamentals of art and traditional art creation. It includes such areas as tools and techniques, traditional media applications, painting, design and art history. This course is aligned with the Arizona College and Ready Standards and/or national content standards and supports school-wide efforts to increase student achievement.

This course will benefit students by gaining a greater understanding of how to create art with greater skill and purpose. By the time the student completes this course of study, the student will learn to create several types of art using various materials, tools and techniques. Skills acquired during this course will include basic drawing, composition, watercolor techniques while incorporating the elements and principles of art into personal artworks. Students will gain experience in the creative process and quality in art while participating in project based learning. Arizona essential visual art essential standards: Create, present, connect and relate to art will be

In an effort to conserve resources and harness the capacity of our electronic grade reporting program (PowerSchool) district schools will no longer print hard copies of report cards unless requested by individual parents. To request a hard copy of your student's report card, please contact the front office at 623-376-3000. To receive your PowerSchool login, please stop into the office with a valid photo ID.

Grades and attendance may be accessed 24 hours a day online with your Power School access code. Access codes are available in the Counseling Office or Front Desk Monday – Friday 7:00 AM– 3:30 PM. You may check student progress regularly on the PowerSchool site using the same login for one or more students. For Mountain Ridge parents/guardians without home computer access, a computer with guest log-in capability is available in the Counseling Conference Room.

In addition to the Academic Prep times built into our schedule each week, additional assistance/tutoring is provided on a weekly basis both by MRHS and individually by instructors. These office hours will be posted in my classroom, website, and/or Canvas at the start of each week. I will demonstrate to the students how to find my availability each week.

After an absence a student has one school day for each day missed to make up work/tests,

The student completes another assessment of the same learning targets. The assessment to be retaken may be in the same format or a different format and will be at the same difficulty level. The higher of the two scores will be entered in the gradebook.

To earn a retake opportunity, a student must complete all of the following:

- o Consult with the teacher
- o Submit a reassessment plan or application, if
