---

**Overall Course Description:** First and foremost, the mission of Air Force JROTC is to develop citizens of character dedicated to serving their nation and community. In doing so, we will acquaint students with one of the following Aerospace Science (AS) academic blocks: The Science of Flight, Journey into Aviation History, Space and Astronomy, and/or Air Force Survival Training per year. Furthermore, cadets will gain Leadership E

disciplinary problems.” In addition, para 2.4.1.1.3 “

Regular attendance is required to pass. Good attendance is perhaps the most important factor for academic success. Parents or guardians will be notified when student has accumulated an excessive amount of absences. If a student
