

2020 Digital Norms

1. Students will need to ensure all language, appearances, and behaviors are school appropriate. If students could not do it in the classroom, then they should not be able to do it online.
2. Students may ONLY attend their class period office hours.

Discipline procedures will be the following:

1. After the **first incident** of something inappropriate, teachers will email the parent, student, and administration to let them know that for the next offense they would be denied access to office hours.
2. If the incident were to occur again, teachers would email administration who would then communicate to the parent that the access would be denied.
