

STANDARD 5 Apply technology and tools to engineering solutions.

STANDARD 6 Apply communications skills to engineering projects.

STANDARD 7 Apply project management and techniques to engineering solutions

Classroom Rules and Consequences:

Step 1: Identify the problem. Step 2: Brainstorm solutions. Step 3: Select a solution. Step 4: Create a plan. Step 5: Implement the plan. Step 6: Evaluate the solution.

PowerSchool Online Access:

Grades and attendance may be accessed 24 hours a day online with your Power School access code. Access codes are available in the Counseling Office or Front Desk Monday - Friday 7:00AM - 3:30PM. You may check student progress regularly on the PowerSchool site using the same login for one or more students. For Mountain Ridge parents/guardians without home computer access, a computer with guest login capability is available in the Counseling Conference Room.

Academic Assistance/Office Hours:

In addition to the Academic Prep times built into our schedule each week, additional assistance/tutoring is provided on a weekly basis both by MRFH and individually by instructors. These office hours will be posted in my classroom, website, and/or Canvas at the start of each week. I will demonstrate to the students how to find my availability each week.

Make-up Policy:

Absences: After an absence, a student has one school day for each day missed to make up work/tests, regardless of the number of days absent. If many days were

Reassessment Plan

The student must initiate contact with the teacher within 5 school days of the assessment score being posted

The student must communicate with the teacher to create a reassessment plan
