At BGHS we want students to learn how to leverage technology and its applications to make life easier and to enhance their performance now and in the future. We know that integrating tech into our classrooms is one way to expose students to the potential benefits of technology while at the same time helping them learn how to use these powerful tools responsibly. All students will receive a Chromebook they can use to complete their schoolwork. Since ALL students have access to a computing device, they will not need to use personal electronics during class time. As a courtesy and to ensure we focus on academic pursuits,

We ask that students limit the number of passes they request in a semester.

Students are expected to utilize the 5-minute passing periods and the 30-minute lunch period to check messages, and use the restroom, etc.

If students need to leave class, they must get teacher approval and fill out an eHall pass.
