

Mirage Elementary School

Dream It. Believe It. Achieve It.

2019-2020

Dear Mirage Families,

Safety is a top priority at Mirage, and we need your help to ensure that students and families are safe in the parking lot. The Mirage parking lot has been upgraded to assist in the flow of traffic for drop off and pick up. Please review the following procedures and map to ensure that our students are safe, before and after school.

There are now two loops in the parking lot- the northern loop and the southern loop, as well as an entrance and exit at each loop. The southern most part of the parking lot is overflow parking and only has an exit.

Drop off and pick up should only occur at the blue curbs; do not drop students off in the middle of the parking lot or try to pick them up from the middle of the parking lot. Students are never allowed in the parking lot unless directly accompanied by an adult. Please walk with students at ALL times while in the parking lot. The staff members on duty are there to ensure the safety of families. They will ask you to use the cross walks and to be patient with each other in the parking lot, especially since it has been remodeled

Drop Off / Pick Up

There are 3 places to drop students off in the morning between 7:45am and 8:00am, as well as pick them up between 2:45pm and 3pm. The curbs of these areas are painted blue.

Students should exit and enter vehicles from the passenger side to ensure safety.

Drop off and pick up areas are not a place to park your vehicle. You can pause to drop off or pick up a student, however, do not leave your vehicle unattended.

If you prefer to park your vehicle, please park in a designated parking space in the lot and walk your child to the gates or to pick them up. Please keep the flow of traffic moving, by carefully merging and being patient with one another.

Do not drop off or pick up students directly in front of the school (flag pole area). This is for day care vans only.

Do not use the bus loading zone (north side of school on Villa Rita Dr.) at any time for drop off or pick up. Please park away from the entrance and exit so that buses can clear the driveway.

PreSchool/Kindergarten Drop Off/Pick Up:

Kindergarten parents may drop off students in front of the Kindergarten playground, but may not leave vehicles unattended in the line OR parents can park in a space and walk students to the Kindergarten gate.

Kindergarten students must be picked up at the gate. Parents must park in a space and walk up to get students. The area in front of the Kindergarten playground is not an area to park your vehicle.
